2019 KEY RECIPIENTS

SCHOLARSHIPS

(4) \$500 scholarships will be awarded to two Drummond high school seniors and two Hayward high school seniors. Recipients are based on their application essay on the importance of industry in the area, how they give back to the community and how they plan to give back after their graduation.

CARE

CARE exists to help our fellow neighbors, friends, community members in and around the greater Cable area in times of crisis or emergency where we are able. Our goal and mission is to make a positive difference in someone’s life during trying and stressful times, and to help our fellow friends, neighbors, and community members when it is needed most.

In addition to these key recipients, we donate throughout the year to other local charitable locations.
